

Introduction to Cancer Genetic Counseling and Risk Assessment

The Risk Assessment and Prevention Program at Invision Sally Jobe invites you to join us for an educational session about cancer genetics and hereditary cancer. You will learn about the role your genes play in cancer, the process of genetic counseling, and what genetic testing for hereditary cancer could mean for you and your family.

**Do you have questions
about hereditary cancer?**

**Did your doctor recommend
genetic counseling and you
want to learn more about it?**

**Are you wondering if genetic
testing is right for you?**

Join us the second Tuesday of the month for this free educational session. The 30 minute presentation will begin at 5:30, followed by a question and answer session.

Location: 8200 E. Belleview Ave, Greenwood Village, CO 80111
*Enter into the East building, take the elevator to the 2nd floor,
and proceed across the bridge to the conference room.*

RSVP to 303-930-2997 or rapp@riaco.com

Please provide your name, number of people attending, email address (preferred) or phone number. We will contact you the day before to remind you about the event.
